

SECTION BELOW FOR SCHOOL DISTRICT USE ONLY

To the Building Principal:

If, after review of the parental statement, questions remain about the existence of a sincerely held religious belief, Department of Health regulation [10 NYCRR, Section 66-1.3(d)] permits the principal to request supporting documents. Some examples include:

- A letter from an authorized representative of the church, temple, religious institution, etc. attended by the parent/guardian, literature from the church, temple, religious institution, etc. explaining doctrine/beliefs that prohibit immunization (Note: Parents/guardians need not necessarily be a member of an organized religion or religious institution to obtain a religious exemption);
- Other writings or sources upon which the parent/guardian relied in formulating religious beliefs that prohibit immunization;
- A copy of any parental/guardian statements to healthcare providers or school district officials in a district of prior residence explaining the religious basis for refusing immunization;
- Any documents or other information the parent/guardian may be willing to provide that reflect a sincerely held religious objection to immunization (for example: disclosure of whether parent/guardian or other children have been immunized, parent/guardian's current position on allowing himself or herself or his or her children to receive or refuse other kinds of medical treatment.)
