

## Mastery in Minutes on PowerSource

Web site is:

<https://powersource.pearsonschools.com/signup/1016211>

Instructions for New PowerSource Users:

An e-mail will be sent to ensure that the email is attached to a valid user.

1. Users will receive an e-mail indicating an account has been created for them. They should click on the link to activate their account.

2. They will be taken to PowerSource where they will Confirm their account by entering in a password of their choosing twice.

3. After they confirm their password, their PowerSource account is activated and they can proceed to Mastery in Minutes by clicking the Training tab and then Mastery in Minutes tutorials on the bottom right.
