\$ 1,519.20

Estimated Yearly Total for all items

During the calendar year (52) weeks:

\$ 150,068.80

## Roll-Off Container (as needed) & Solid Waste Disposal Fee:

10 yard Roll-Off \$ \frac{165.00 + 73.00 /ton}{20 yard Roll-Off} \$ \frac{165.00 + 73.00 /ton}{165.00 + 73.00 /ton} \$ \frac{165.00 + 73.00 /ton}{240.00 per container} \$ \frac{240.00 per container}{240.00 per container} \$ \frac{1}{240.00 per container} \$ \frac{1}{240

Pick up fees are inclusive of supplying compactors, containers and transporting to both the Town of Brookhaven Refuse & Recycling Facility and other waste transfer facilities throughout the calendar year. All recycling disposal fees are paid by the school district directly to the Town of Brookhaven at the municipal disposal rates. Solid waste disposal fees for compactors and roll off containers may fluctuate due to landfill and DOT fee increases. All costs are estimated based upon the pick-up frequency, container sizes, as well as the number of containers and compactors listed in the bid documents.
